OBJECTIVE

- Motivated IT engineering student with strong problem-solving skills and hands-on experience in web development. A passionate front-end developer with hands-on experience in building responsive websites and integrating APIs. Enthusiastic about contributing to full-stack projects and learning new technologies.

SKILLS

- **Front-End Development:** HTML, CSS, Bootstrap, Tailwind CSS, React.js, jQuery
- **Tools & Technologies:** Git, GitHub, VS Code, APIs
- **Backend Technology & Database:** Foundational knowledge of Node.js, Express, MongoDB
- **Programming Language :** C, Java, JavaScript
- **Soft Skills:** Adaptable, Quick Learner, Problem-Solving

EDUCATION

- Bachelor of Engineering (Information Technology)
Ahmedabad Institute of Technology **CGPA: 9.37 | 2022 –Present**
Expected graduation: 2026

PROJECTS

- **URL Shortner (Tech Stack: NodeJS, HTML, CSS, MongoDB, EJS, Express)**
 - Developed a URL Shortener web application using Node.js, Express.js, and MongoDB, allowing users to create and manage short, shareable links.
 - Implemented user authentication (JWT-based), middleware protection, and route handling for secure access and user-specific URL tracking.
- **Personal Portfolio Website (Tech Stack : React.js Bootstrap, JavaScript, React Router)**
 - Designed and developed a responsive personal portfolio website to showcase skills, projects, and resume.
 - Implemented smooth UI/UX, clean navigation, and mobile-friendly design using Bootstrap and custom styling.
 - Integrated a contact form that sends messages directly via email and included a resume download option for easy access.
 - Built with Vite for faster development and optimized performance.

ACHIEVEMENTS

- Received **Topper Certificate** twice in the prestigious Dewang Mehta IT Awards (2023,2024) for outstanding academic performance.

ACTIVITIES

- Engaged actively in **Google Cloud Foundation and Generative AI** programs from GDSC, acquiring practical experience in cloud technologies and foundational AI concepts.
- Participated in a college-level **hackathon**, collaborating on innovative solutions to enhance problem-solving and teamwork skills.
- Participated in **Code Unnati by SAP & Edunet Foundation**, developed professional skills in communication, career readiness, and digital literacy.
